## **“FOR A DECENT SLOVAKIA INITIATIVE”**

*\* This is how the organizers and participants of this initiative in Slovakia, who are trying to change the society, have called themselves.*

*We celebrated “The Velvet Revolution” (or Gentle Revolution) in Slovakia, and also in the Czech Republic. Again, a dissatisfaction prevailed and still with a desire for another new revolution. Similarly, this mood can constantly be seen around the world. In terms of activity on the Radio Rescue webpage, we became silent a little because in fact we have already addressed all issues that afflict mankind and produce friction and problems.*

*Therefore we would like to brush up our earlier article and refer to it. Specifically, it is one of the two videos that are mutually related and published on the main page under the name: **TRUE REVOLUTION!***

*Even if we try to stand aloof from various predictions of the end time, just because we know that the time of foretold events has always been dependent on people themselves, it may still be advisable to point at some certain information that was recently broadcasted on TV. It was about Saint Malachy, the Archbishop of Armagh and his prophetic vision on 112 popes, when he came to Rome in the 12<sup>th</sup> century. At that time, he wrote a list of 112 subsequent popes and each one of them was characterized by a few fitting words. Allegedly this prophecy is very exact and is quite well known. For example, a pope who was in office in the year 1875, when the Son of Man was born, was characterized by the following: “Cross from cross”. The equal-armed Cross is sign of God's Truth, thus of God Himself. With a pope that was in office during the 1st world war comes the following eloquent characteristic: “Depopulation of the Church”. Some other translations, however, say: “Downfall of the Church” or “Religion destroyed” and it exactly falls under the time when the Son of Man began to work on his Work – writing The Grail Message, which really shall bring unity for the whole Earth, and thus also downfall of the Church in the form as we know it today. It is not necessary to give other examples, we only say, that the last one, the 112th pope, is described as follows: “... he will pasture his sheep in many tribulations, and when these things are finished, the city of seven hills will be destroyed, and the dreadful Judge will judge his people. The End.”*

*112th pope is the current one!*

*Consider the above written only as a confirmation of words that were spoken in the video TRUE REVOLUTION, - that the right Ruler, is already very close.*

*We recommend to those who have desire for a change of society and try to make it more perfect, or more acceptable for man, to also get acquainted with the article published in the folder (UN)ANSWERED QUESTIONS, part 7, question no. 10: Is there a righteous social order and will we live in it one day?*

*A person interested may also find other articles on our webpage; articles that address topics on society and about conditions or laws, those that can ensure the right functioning of society. Herein he may also find information on what we humans are capable of doing, and what is assigned for a higher power, that is to say, for the power of the right Ruler.*
